

## MY CONFIRMATION CLASS COVENANT 2013

The Confirmation Class is an opportunity for a seeker (confirmand) to explore, learn, and discover more about his or her beliefs, personal faith journey and faith community (Church).

As a member of the 2013 Immanuel Presbyterian Church Confirmation Class, I promise to faithfully fulfill the following covenant responsibilities.

1. Attend all confirmation classes and events to the best of my ability. If I must miss class or an event, I will inform, Chris, Pastor Aaron or Pastor Dan and understand I may be asked to do make-up assignments.
2. Demonstrate my allegiance to Jesus Christ and His Church by faithful attendance at worship on Sundays (or at other scheduled times).
3. As an act of personal devotion, to do the Bible reading assignments so that I may grow in my understanding of God's Word and more fully acquaint myself with the life, ministry, and teachings of Jesus.
4. Meet with my faith mentor at least once and fully participate in an open conversation with him/her about one's faith journey.

As a confirmand, I may expect the Church to faithfully fulfill these covenant responsibilities:

1. Offer well-prepared lesson plans in a variety of teaching approaches which stimulate and challenge the confirmand intellectually and foster greater appreciation for the Church and its mission.
2. Provide a positive atmosphere for learning in which questions, concerns and doubts can be freely expressed and discussed in a non judgmental manner.
3. Offer social opportunities during the program (lock-in, retreat, etc.) for fun and getting to know one another better.
4. Enable the confirmand to participate actively in the life and mission of Immanuel Church.
5. Provide an adult faith mentor who will journey with each confirmand through the confirmation process.

WE THE UNDERSIGNED, UNDERSTAND AND ACCEPT THE RESPONSIBILITIES AS STATED IN THIS COVENANT.
